MG XPower SV-R

Tracing a century-long lineage of breaking barriers, the MG CYBERSTER propels MG's illustrious history of speed and innovation into the electric age. It celebrates the brand's legendary feats - from the MG EX181's record-breaking velocity to the MG B's revolution in sports sedan performance. With over 500,000 enthusiasts captivated, MG rewrites history once again, forging a future where electric agility and storied performance converge. This more than a car; it's a milestone, marking a new chapter in the legacy of sports cars. MG CYBERSTER is a triumph of heritage charging boldly forward.

The ROADSTER redefined: MG introduces the CYBERSTER, where classic sports car elegance meets the dawn of a new electric era. With each curve, MG's timeless design philosophy is electrified, creating a seamless fusion between nostalgic charm and the pulse of modern technology. MG CYBERSTER is not just a vehicle; it's a bold leap into the future, carrying forward the legacy of performance and luxury that has defined MG for generations.

MG CYBERSTER, A LEGEND REBORN

CRAFTED THROUGH
UNPRECEDENTED X COLLABORATION

The MG CYBERSTER is a marvel of automotive innovation, developed over 530 days ! by a dedicated team of 50+ experts, United in their pursuit of perfection, they seamlessly merged sports car heritage with STATE-OF-ART technology, achieving the world's first combination of SCISSOR DOORS and a SOFT-TOP convertible

OPEN-TOP FREEDOM

INNOVATION IN MOTION

MG CYBERSTER's electric SOFT-TOP convertible is a marvel of innovation. Open or close it in just 10 seconds, even at speeds up to 50 KM / H Experience the thrill of open-air driving without sacrificing security or comfort.

PRECISION IN
EVERY DEGREE

MG CYBERSTER's electric SCISSOR DOORS are a marvel of engineering and design. They open and close smoothly and effortlessly, with a customizable opening angle of 30° to 76°. Dual radar sensors ensure even in tight spaces.

TAKE **CENTRE** STAGE

The MG CYBERSTER's cockpit is designed to put you in the centre of the action. The WRAP - AROUND DESIGN and TRIPLE-SCREEN interface ensure that you have all the information you need at your fingertips. The integrated central control screen and sporty flat-bottom steering wheel give you complete control over the vehicle, while the luxurious materials and finishes create an atmosphere of sophistication and comfort.

A high-angle, close-up shot of the front interior of a red MG Cyberster. The car's top is down, revealing two bright orange suede seats with black Y-shaped stitching. The dashboard and center console are black. The background is a blurred concrete wall.

THE ESSENCE OF ELEGANCE IN EVERY TOUCH STRAP-IN REV-UP AND LEAD THE WAY

Embodying luxury at every turn, the MG CYBERSTER features an elegant, aerodynamic silhouette enhanced by premium suede - materials and meticulously crafted luxury stitching. From its soft touch to its exquisite details, every aspect is designed to offer a truly luxurious experience. Engineered with ergonomics in mind, the Y-SHAPED sports seats provide tailored comfort and support, ensuring stability and a snug fit for both driver and passenger during high-performance maneuvers.

A SYMPHONY OF SENSUAL SENSATIONS

Experience the meticulously engineered BOSE sound system, Custom-tuned for the perfect acoustic experience. Whether you're on the move or at rest, every note and melody is crafted to beautiful perfection.
