CONTENT TO DISCOVER.**

1. Simply download the free Toyota Explore app to your smartphone or tablet from the App Store or Google play.
2. Open the app. Point your device at the page wherever you see the above icon.
3. Explore the Auris in more detail.

The Auris is a car you'll look forward to driving, every day. Its bold, dynamic styling immediately catches the eye, while inside its spacious, high-quality environment is both intuitive and beautifully designed. And with the option of Toyota's responsive hybrid powertrain, plus advanced petrol and diesel options, the perfect drive for you awaits.

The Auris is once again built at Toyota's state-of-the-art manufacturing facility in Burnaston, Derby. Toyota is proud of its British workforce, and you'll see why from the moment you open the driver's door.

ATTRACT ATTENTION

Designed to be desirable.

The Auris has a fresh and attractive look. Whether it's the bold, finely styled new headlights, or the dynamic design front and back, the Auris is a car that'll brighten your day from the moment you set eyes on it. Thanks to a wider, confident stance on the road, combined with a distinct sporting flair to the design, it visually expresses how every journey is more enjoyable in an Auris. And with an Auris Touring Sports available featuring ample luggage space of up to 1,635 litres and superb versatility, you can enjoy the style of the Auris without compromising on your needs.

Model shown: Auris Hatchback – Design grade.

DESIGNED FOR YOU

Comfort and style within.

The Auris has a clear focus: you, the driver. With an innovative integrated dashboard, it effortlessly mixes intuitive functionality with a stylish design that will captivate you from the moment your hands touch the steering wheel. At its heart is the seamlessly integrated Toyota Touch® 2 with 7" screen*, your window to a whole world of music and multimedia features. It works seamlessly with a new 4.2" colour TFT screen[§] in the instrument panel that displays trip data, navigation commands and Toyota Safety Sense information. Together, they make driving safer and more enjoyable.

Model shown: Icon grade.

Control your own music via the Toyota Touch® 2 screen. Connect your devices remotely with Bluetooth® or through a USB socket. Album, artist and track information are displayed on screen for your convenience.

Find your way with clear mapping and concise directions, and benefit from real-time traffic updates, eco-friendly route guidance, speed limit and speed camera warnings, Google local search and Google Street View™, weather updates, parking availability and fuel price information.

Keep in touch easily with Bluetooth® technology. Connect up to five mobile phones, see your SMS messages on screen and access your phonebook.

Take the stress out of reverse parking. On the colour screen you'll see exactly what's behind you when reversing*, with static guide lines to make manoeuvring easier.

* Reversing camera not available on Active grade.

A world of information and entertainment at your fingertips.

TOYOTA TOUCH® 2*

The Toyota Touch® 2 multimedia system features an easy-to-use high resolution 7" colour touchscreen. It lets you access and monitor a range of information related to your car. From viewing trip data and climate control settings to customising a number of functions, such as door locks and lighting, you'll find everything you need to make your journeys more comfortable. The system also helps to take the stress out of parking with a reversing camera display.

The Toyota Touch® 2's advanced audio system lets you appreciate your favourite music in rich quality, and view album, artist and track information clearly, all via convenient Bluetooth® or USB connections. Additionally, your audio options can be accessed through the clear touchscreen, letting you select a wide choice of DAB+ stations or enjoy a favourite CD or MP3, so you can appreciate the full, crystal-clear multimedia experience with ease.

* Standard on Active, Icon and Design.

‡ Standard on Business Edition and Excel.

TOYOTA TOUCH® 2 WITH GO^s

Now with three years' free map care and connected services.

Toyota Touch® 2 with Go adds enhanced full-map navigation as well as class-leading connected services, delivered through its wide range of apps. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warning.

The new auto navigation function lets you programme up to four destinations, for each day of the week. So when you set off within a departure window, your chosen destination will be automatically activated and a route plotted. The system will also show you traffic information, making your daily commutes less of a grind.

In addition, the enhanced multimedia offering available on Excel grade includes features such as 3D maps, voice recognition and text-to-speech.

Compatibility and synchronisation: Device synchronisation and compatibility may depend on a number of factors including the device being used, software versions installed, inbox size and your mobile network. All features are developed to industry-wide standards. Toyota cannot guarantee that all devices will operate or be compatible with our vehicles.

Discover a world of innovative services.

Breakthrough connected services are pre-installed in your system (Toyota Touch® 2 with Go) and are free for the first 3 years.

To activate and access these services simply create a **My Toyota** account and register your device. You can commence

Toyota Real-Time Traffic powered by TomTom™

Works on real-time traffic flow, alerting you to slow-moving or queuing traffic, with the option to re-route your journey to avoid congestion and save time.

TRAFFIC MONITOR

Provides a clear visual display of any traffic incidents or congestion along your route, estimating any delay to your journey.

DETOUR OPTION

Offers specific information about traffic incidents along your route and suggests a detour option to save you time.

DETOUR INFORMATION

Gives you on-screen graphic information of a detour, along with the delay and additional mileage incurred compared with your current route, for informed journey planning.

Online Applications

Activate apps on your Toyota Touch® 2 with Go navigation system to keep you informed and entertained. Apps are available for everything from the weather, to fuel costs and available parking places, helping you to drive safely and more economically.

the registration process directly from within your vehicle in a few simple steps. By pairing/connecting your phone, you can

enjoy many benefits, including innovative Toyota Real-Time traffic powered by TomTom™ and Google Street View™.

TOYOTA ONLINE

Google Street View™ and Panoramio™

Provide imagery of your current location, or a location of your choice, allowing you to start navigating directly from the image, so you'll never be lost.

GOOGLE STREET VIEW™

Simply enter an address for a visual preview of any unknown destination. Six different Google Street View™ images offer a panoramic view to familiarise you with the location and promote peace of mind.

PANORAMIO™ MAP

Maps city landmarks and places of interest to help you discover a new city easily and effortlessly. Simply choose your location of interest from the images shared by the Panoramio™ community.

PANORAMIO™ IMAGES

View the full image of your chosen location and let the navigation system guide you there, taking all the stress out of visiting unfamiliar places of interest.

Online Local Search

Point Of Interest database enhanced by an online search facility. Connects to the internet via your phone, allowing you to search easily for the nearest fuel, restaurant, hospital or any type of place of interest.

Toyota Online services available on Toyota Touch® 2 with Go. Availability of Toyota Online services depends on compatibility with a Bluetooth®-equipped mobile phone (with DUN or PAN Bluetooth® profile) with a data plan. It also requires a mobile network operator that permits tethering.

SPACE AND HARMONY

The appeal of roominess.

Toyota strives to make every journey better, and at the core of that aim is your comfort. The Auris features comfortable seats, and an interior trimmed with rich, quality materials. The spacious interior of Auris immediately puts you at ease, and with the Toyota Skyview® panoramic roof*, you can let the natural light flood in. The Easy Flat system[§], which allows you to fold the seats at the touch of a button, means the Auris is emphatically practical. And if it's even more space you're after, the Auris Touring Sports offers additional luggage capacity, with a 2-way tonneau cover and a partition net included.

* Optional on Design and Excel grades.

[§] Auris Touring Sports only.

UPLIFTING EFFECT

Love driving with hybrid.

Get behind the wheel of an Auris Hybrid and you're sure to fall in love with driving again. From the moment you set off, a hybrid puts a big smile on your face, soothing away the stresses of busy traffic, giving you a quiet, smooth drive. You'll love its responsiveness too, encouraging you to explore the open road and the joy that freedom to roam can bring. Driving a hybrid is intuitive, just get in, start the engine and press the accelerator. It really is that easy. Every hybrid adventure begins this way: where will you choose to go?

The Auris features three advanced engine options for a drive you'll love: hybrid, petrol and diesel, providing the ideal solution for every driver. Calm, quiet and smooth, the responsive hybrid powertrain leaves you feeling relaxed and refreshed on every journey. In addition to the hybrid, the Auris is now available with a new 1.2 turbo petrol engine. It possesses the excellent economy you might expect from one so small; but the sparkling performance and low-end torque might just surprise you. And just as impressive is the new 1.6 diesel engine, which offers dynamic performance. With superb handling and hushed refinement, the Auris is a car you'll look forward to driving, every day.

Model shown: Auris Touring Sports – Design grade.

All active safety technologies are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

TOYOTA SAFETY SENSE

Keeping you in safe hands.

Scan this QR code.
Find out more on
Toyota Safety Sense.

In the Auris, safety has been raised to new levels. Toyota Safety Sense* adds advanced active safety systems for an even safer and more relaxed drive. Four active safety technologies, Pre-Collision System, Lane Departure Alert, Automatic High Beam with automatic headlights and Road Sign Assist are at the heart of Toyota Safety Sense. On top of that there is, of course, a wide range of additional innovative safety systems. For more information on Auris safety technologies, please scan the QR code on this page.

* Toyota Safety Sense is standard on all grades excluding Active.

Pre-Collision System

Toyota Safety Sense's Pre-Collision System uses a camera and laser to detect other vehicles in the road ahead. When the possibility of a collision is detected the driver is alerted with audio and visual warnings, and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

Lane Departure Alert

Using a camera to detect the lane markings in the road ahead, Toyota Safety Sense's Lane Departure Alert will alert the driver with audio and visual warnings if the vehicle starts to deviate from its lane without the turn indicator being applied – the driver can then take corrective action.

Automatic High Beam with automatic headlights

Toyota Safety Sense's Automatic High Beam is designed to optimise visibility during night driving for all road users. A camera detects the lights of oncoming vehicles and leading traffic whilst also monitoring the brightness of street lights. It switches automatically between high and low beam for safer night-time driving.

Road Sign Assist

Toyota Safety Sense's Road Sign Assist monitors the road signs ahead, displaying useful information such as the current speed limit or overtaking restrictions in clear view on the new colour TFT cockpit display. The system also provides a visual and audio warning if you are not following the road sign indication.

Active

Everything you need, and more than you expected. Active features automatic air conditioning, Bluetooth® connectivity and LED daytime running lights amongst a whole host of features.

Model shown is Active Hatchback.

Main features

Options* and packs

iPad not included.

Integrated entertainment

Choose your preferred basic configuration from the six pre-configured options. These can be further tailored by adding extra iPad® holders, DVD players or wireless headphones, which are all available to order separately, at additional cost.

Two types of DVD player are available: a master DVD player, which plays DVDs. These can be combined with another master DVD, allowing each to play different films or combined with a slave DVD, which simply replicates the DVD being played on the master DVD player.

OPTIONS

	Powered docks	Holder for iPad®		
Single iPad® Holder	2	1	0	0
Twin iPad® Holders	2	2	0	0
Single Master DVD Player	2	0	1	0
Single Master DVD Player & iPad® Holder	2	1	1	0
Master & Slave DVD Players	2	0	2	0
Twin Master DVD Players	2	0	2	0

* Options should be ordered in conjunction with the vehicle.

**Parking pack[§]**

The Auris is wonderfully easy to park. Even so, when space is tight, you'll find the guidance given by the Toyota parking aid system a big help in avoiding accidental scrapes.

Sensors in the front and rear bumpers link to in-car warning beepers that become progressively more frequent the closer your vehicle gets to an obstacle. Conveniently, the system can be switched off when you don't need it.

[§] Please note this is not the same as the Intelligent Park Assist on Excel Grade. The proximity of the vehicle to obstacles is not displayed in the vehicle.

Options* and packs

Protection pack

You'll want to keep your new Toyota in showroom condition – the cost-effective Protection pack contains all the essential items you'll need.

1. Boot liner

Made of plastic with raised edges to be water- and mud-resistant.

2. Front scuff plates[§]

The polished aluminium finish introduces a compelling detail to your car's interior.

3. Rear bumper plate

With a tough, good-looking polished steel finish to protect bumper paintwork when loading or unloading the boot.

4. Mud flaps (not shown)

The design minimises water, mud and stones spraying onto your car's body. Includes front and rear.

* Options should be ordered in conjunction with vehicle.

§ Hybrid vehicles are fitted with Hybrid design scuff plates.

1.

2.

3.

Chrome pack

The look is style, sophistication and attention to detail. The Chrome pack's side sills and boot trim combine to emphasise the sculpted contours of your Auris or Auris Touring Sports.

1. Side sills

A dash of chrome skilfully integrated along the side panels.

2. Rear boot trim

The stylish chrome finish highlights your car's distinctive rear-end design.

1.

2.

Accessories

Our range of accessories gives you the creative flexibility to add special touches to your car, each item having been designed to complement and enhance your car's features.

Roof rack

Strong yet lightweight aluminium design with integral security locking. Combines with a range of specialised carrying attachments including ski holders, luggage boxes and bicycle holders. (For Auris Hatchback.)

Crossbars

For use with Toyota roof rails fitted to Auris Touring Sports. The crossbars lock onto the rails and provide a secure base for the range of carrying attachments such as ski and luggage boxes and specialised bicycle and ski holders.

Ski boxes

Thule Motion 800 – gloss black (also in gloss silver)

Thule Pacific 700 – silver grey

For those big snow holidays

Thule ski boxes have been custom-designed to exactly the right length, shape and capacity for securely carrying all your winter sports accessories.

Thule Motion 800

Dimensions: 205 cm L x 84 cm W x 45 cm H
Internal volume: 460 litres
Maximum content weight: 75 kg*
Holds: 5–7 pairs of skis, 4–5 snowboards
Weight: 21 kg

Thule Pacific 700

Dimensions: 232 cm L x 70 cm W x 40 cm H
Internal volume: 420 litres
Maximum content weight: 50 kg*
Holds: 6 pairs of skis, 4 snowboards
Weight: 15 kg

Features

- Opens from both sides for easy loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota crossbars on roof rails.
- Internal straps for securing the box contents.
- Made of colour-fast UV-resistant ABS plastic.

Ski & snowboard holders

Large ski and snowboard holder

Simply load and go

The holders install easily and lock securely so you can quickly load skis and snowboards whenever the inspiration takes you. They fit onto the Toyota roof rack and Toyota crossbars on roof rails.

Medium size holder

Large size holder

Features

- Weight: 3.2 kg medium, 4.2 kg large.
- Skis secured between soft rubber for grip and to prevent damage.
- Central locking system for maximum security.
- Push release for easy opening with gloved hands.
- Large holder slides to the car side for easy loading and unloading.

Luggage box

Thule Pacific 200 – silver grey

Just right for holidays

For jackets and dresses, shorts, shoes and playthings: a Thule luggage box is perfect to carry all you need for those big holidays and weekends away.

Thule Pacific 200

Dimensions: 175 cm L x 82 cm W x 45 cm H
Internal volume: 410 litres
Maximum content weight: 50 kg*
Weight: 14 kg

Features

- Opens from both sides for convenient loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota crossbars on roof rails.
- Internal straps for securing the box contents.
- Made of colour-fast UV-resistant ABS plastic.

* Maximum content weight is based on the Auris' maximum roof load capacity.

Accessories

Foldable bicycle holder

Carries one or two bicycles and folds for easy installation, handling and storage. Includes a lights and licence plate holder. Storage bag also available.

Bicycle holders

Rear bicycle holders

Toyota offers a choice of rear-mounted bicycle holders providing secure transportation and easy loading and unloading.

* Not available on 1.8i (Hybrid) (136 hp) Auto.

§ 1.33 engines only as part of optional Toyota Safety Sense (standard on 1.8 Hybrid).

Glossary

Discover more about the Auris technology*.

* Availability of technology is dependent on vehicle grade.

Follow-me-home headlights

Activated by the driver for added safety and practicality at night, the headlights remain lit for 30 seconds after parking your car to illuminate your path to the front door.

Automatic headlights

The dusk sensor monitors light levels and automatically switches on the headlights when the light is low.

Automatic wipers

The automatic rain sensor instantly sets the appropriate wiper speed and intervals.

Smart Entry & Push-Button Start (driver, passenger and boot)

Instead of a conventional key, the Smart Entry & Start System features a transmitter that allows you to unlock the doors by pulling the handle and lock them again by pressing a button. To start or stop the engine, simply press the Start/Stop button. All you need to do is carry the Smart Entry key in your pocket or handbag.

Anti-lock Braking System (ABS) with Electronic Brake force Distribution (EBD)

ABS prevents the wheels from locking while braking. EBD complements this by optimising brake force distribution between each wheel to compensate for different loads. Together the two systems help you to maintain steering control when braking heavily.

Brake Assist (BA)

If you attempt an emergency stop, BA will detect this and apply additional brake pressure. This enables ABS to work to its maximum potential.

Vehicle Stability Control (VSC)

VSC automatically activates each individual brake as needed and controls engine output to help maintain stability and prevent skidding when turning sharply or cornering on slippery road surfaces.

Hill-start Assist Control (HAC)

HAC helps to ensure a smooth start on steep inclines by applying the brakes for up to 2 seconds after the brake pedal is released. This prevents the vehicle from rolling back. It is activated by pushing the brake pedal harder after stopping as long as the transmission shift lever is in any forward gear position.

Toyota Safety Sense

Toyota Safety Sense adds advanced active safety systems for an even safer and more relaxed drive. Four active technologies – Pre-Collision System, Lane Departure Alert, Automatic High Beam and Road Sign Assist are at the heart of Toyota Safety Sense.

Simple Intelligent Parking Assist (Simple IPA)

Simple IPA automatically manoeuvres you into your chosen parking spot whether between two vehicles or behind one. Using ultrasonic sensors on the front side-bumper to identify a suitable parking space, once engaged, the system automatically performs the steering operations. You simply have to control the reversing speed and let the Simple IPA park your vehicle.

Traction Control (TRC)

If you accelerate too hard and cause the drive wheels to lose grip and begin spinning, TRC will automatically reduce engine power and control brake force to help restore traction.

Supplemental Restraint System (SRS) airbags – 7 airbags

This model is fitted with seven airbags. They include driver's knee airbag, SRS airbags for both driver and passenger, side airbags for the front seats, and SRS curtain shield airbags covering both the front and rear seat passengers.

Owning your Auris.

Service your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/service

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/service

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/repairs

My Toyota

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **My Toyota**. Packed with time-saving and convenient features, **My Toyota** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **My Toyota** Europe app* now available on iTunes and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge; after the first year the cost of Toyota Roadside Assistance is £7 per month when paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit or £76 per annum when paid by all other payment methods.[§]

For full terms and conditions please visit toyota.co.uk/roadsideterms

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/5yearwarranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

* Features on desktop and app vary.

Toyota Business Plus

Designed to support business operators and company vehicle drivers, Toyota Business Plus is our promise to help you procure, manage and upgrade your fleet quickly, efficiently and cost-effectively. Business Plus unites our passenger car and commercial vehicle ranges, with tailored services, ensuring fleet managers can keep their company car drivers happy and business costs down.

Our specialist Business Centres promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac), plus a guaranteed booking within 3 days.

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota Business Plus.

For more information visit toyota.co.uk/business-customers

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first, or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

For more information visit toyota.co.uk/extendedwarranty

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure. The readability of QR codes present in this brochure may differ according to the scanner used. Toyota cannot be held responsible should your device not be able to read any QR codes or interactive content markers.

Quoted mpg & CO₂ figures: All mpg and CO₂ emissions figures quoted in this brochure are sourced from official EU-regulated test results. These are provided for comparability purposes only and may not reflect your actual driving experience. Fuel consumption varies significantly depending on a number of factors, including driving style, conditions, speed and vehicle weight. In order to allow consumers to compare and make an informed choice between one vehicle and another, there is a European Commission standard (93/116/EC and 692/2008) to measure fuel consumption. This common standard must be adhered to by all manufacturers selling motor vehicles in the EU and is the basis for fuel consumption figures published by each manufacturer. For further information please visit www.dft.gov.uk/vca/fcb/faqs-fuel-consumptio.asp or speak to your local Toyota Centre.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
