

The New Mercedes

wagon

A top-down view of a silver Mercedes-Benz wagon, likely a W201 model, with its side doors open. The car is positioned vertically in the center-right of the frame. The background is a dark blue gradient, overlaid with large, solid blue geometric shapes: a rectangle in the upper left and a larger, more complex shape in the lower left. The word "wagon" is written in a large, light blue, lowercase serif font across the bottom half of the image, partially overlapping the car and the background shapes.

Some vehicles are shown with optional equipment.

A prediction: When the new Mercedes Wagon arrives this fall, it will quickly become one of the most exciting choices in the automotive world. For some, its attraction will be performance, luxury and safety engineering that rivals the very best sedans. For others, it will be the versatile accommodations for both passengers and cargo. Still others will simply be captivated by its style. Whatever your reasons, the new Mercedes-Benz E320 Wagon is sure to be, as *Road & Track* concluded, "a wagon worth waiting for."

Front and rear crumple zones, from the people who first patented the idea.

A new all-weather ally: available all-wheel drive with 4-wheel traction control.

The new V-6 engine brings a new level of performance with low emissions.

Dual side-impact air bags and dual front air bags are standard safety features.

You won't be forgotten: Both front seats feature 3-position memory.

BabySmart™ technology helps protect children from a deploying air bag.¹

Nearly 70 cu ft of cargo room inside. And accessory rack systems for the roof.

Versatile accessories like this cargo divider help you tailor your car to your life.

Self-leveling rear axle helps when you're towing or loading up on heavy cargo.

¹ **WARNING:** THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURY TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. **A CHILD UNDER 13 CANNOT USE THE FRONT SEAT** UNLESS THE CHILD IS BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED **BABYSMART-COMPATIBLE** CHILD SEAT. A CHILD UNDER 13 WHO IS TOO LARGE FOR A CHILD SEAT CANNOT USE THE FRONT SEAT. SEE OWNER'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS. BabySmart is a trademark of Siemens Automotive Company.

Start with a list of design, performance, safety and comfort features that has made the E 320 Sedan among the most highly acclaimed cars on the market. (A car praised not just by driving enthusiasts, but by bean counters: *The Complete Car Cost Guide* deems the E 320 Sedan “The Best Overall Luxury Value.”²⁾ Now add a spacious, versatile cargo area. And the option of all-wheel drive with 4-wheel traction control. Get the idea this is no ordinary wagon? Get the idea that this is no ordinary luxury car?

A $\frac{1}{3}$ - $\frac{2}{3}$ split second-row seat and a folding third-row seat let you configure the E 320 Wagon to carry up to seven people or nearly 70 cu ft of cargo.

A retractable partition net and luggage cover can divide the cargo and passenger areas, and help keep luggage out of view.

With a few adjustments to the right front seat, the cargo area stretches from tailgate to dashboard — nearly a 10-foot span.

A dynamic new design

powered by an all-new high-efficiency V-6 engine.

A new level of safety engineering

and more cargo space than ever before.

Available with a new all-wheel drive system

that incorporates 4-ETS, the 4-wheel Electronic Traction System.

The New Mercedes Wagon.

Coming Fall 1997.

Selected Standard Features

High-output/low-emission V-6 engine

- Driver-adaptive electronic 5-speed automatic transmission
- ASR traction control
- 16-inch alloy wheels and all-season tires
- Automatic rear-axle level control
- Electronically coded ignition key
- Antitheft alarm system
- Remote locking system
- Power tailgate closing assist
- Roof rails
- Intermittent rear wiper/washer with auto-wipe feature
- Power front seats, each with 3-position memory
- Power tilt/telescoping steering column with memory
- Dual climate controls with dust filter, sun sensor, and activated charcoal filter with smog sensor
- Integrated 3-button garage door opener
- 8-speaker audio system
- Folding third-row seat
- Auxiliary 12-volt power outlet in cargo area
