ENCORE

Encore Essence shown in Ebony Twilight Metallic with available features.

WHERE LIFE MEETS STYLE

With its nimble maneuverability and turbocharged engine, Encore empowers you to carve your own path. With spacious storage and flexible seating for up to five, Encore gives you what you need to make life look effortless. But what truly distinguishes Encore is a contemporary interior that's complemented with modern technology.

STYLED TO STAND OUT

Even with the elevated seating position of an SUV, Encore's athletic stance lets you take command of the road, so you feel ready for whatever comes your way. You'll know it's a Buick the instant you catch a glimpse of the signature LED daytime running lamps and winged signature grille. Unique wheels are offered on each trim level.

AN SUV THAT KNOWS WHAT THE 'S' STANDS FOR

Encore delivers sporty performance with a standard 1.4L turbocharged engine, agile handling and available All-Wheel Drive. The turbo engine gives you power, serving up 138 hp and 148 lb-ft of torque. It's efficient, too, with an EPA-estimated mpg of 25 city/30 hwy (FWD). Encore's nimble maneuverability and tight turning radius help you navigate city streets, crowded freeways or winding back roads confidently.

ALL-WHEEL DRIVE To optimize traction, available intelligent All-Wheel Drive constantly monitors all four wheels and transfers power among wheels when needed.

STABILITRAK To help you stay confidently in command of the road ahead, the StabiliTrak stability control system applies quick, precise force to the brakes when it senses a difference between the direction of the wheels and the steering wheel.
